ADULT SPANISH ABROAD

About Us

Twelve years of experience and excellence in organizing adult study abroad programs. Wynton's World Study Abroad Programs (WWSAP) works in conjunction with various schools abroad and travel organization. We are dedicated to promoting intercultural understanding between adult learners and natives throughout Spain, Mexico and Latin America. WWSAP's staff and volunteers are highly trained professionals with a background in education who have successfully organized educational travel programs since 2000.

Our Chaperones

WWSAP carefully selects chaperones on the basis of language ability, maturity, patience, judgment, professionalism, and their ability to earn the respect and trust of our adult participants. Most chaperones are Spanish teachers or natives of the chosen country with extensive travel abroad experience; some are full-time WWSAP staff with educational backgrounds, and all are enthusiastic leaders, fully trained by WWSAP, and highly dedicated to promoting intercultural understanding on the global level.

Classes

Classes are held at a language institution chosen by WWSAP. Intensive classes in Spanish are offered at different levels, from beginners to very advance. All students will take placement exams, oral and written, to assure their correct placement.
